Town Manager's Report

This report has been compiled in an attempt to provide in convenient form the financial facts about our Town Government for 1957.

We believe that the success of our Local Government depends on an informed and actively participating citizenry. We hope that the report will contribute in a small way to a better understanding of our Community affairs. The Town Officials are trying to help the taxpayer to learn in which way his dollar is used. He will no doubt view these apportionments with amazement.

We want to express our appreciation to each of you for your continued assistance and support. It is a pleasure to serve as your Board of Selectmen and Town Manager.

ROBERT W. RHODES
Town Manager

Town Maintenance

A great deal of work was accomplished this year on our gravel roads. Proper drainage, re-grading and surfacing with asphalt made a marked improvement. This program is to be continued this coming year. In the Spring of 1957 the Town employees built a screen which enabled them to screen the gravel that was used on the roads. This gave our highways an excellent base for asphalt application. The Morton Road was properly drained, graveled, and asphalted. This will alleviate a yearly Spring repair problem.

The Owl Brook Road from the corner to Allen Ober's had considerable work done. A great deal of ledge was removed and proper drainage installed. The road was then widened and graveled. This coming year this new construction will receive an asphalt surface and will add to our program of having all of our roads with a hard top.

Thompson Street construction was continued this past year by widening the road, graveling and applying asphalt. This work is to be continued this coming year.

The bridge on Collins Street will need to be repaired this Spring and it is recommended that the present steel structure be used with the construction of a concrete pad which will be hot topped. This will make it a permanent structure and will eliminate the replacing of wooden planks every few years. This bridge is used constantly not only for regular traffic but gravel and sand is being hauled across it year round.

I would like to thank the local State Highway personnel for the cooperation that we received. It is well appreciated.

Sidewalk Construction

A great deal of progress has been made in the reconstruction of our sidewalks the past two years. Both sides of the Main Business Section of the Town have been completed and it has made a decided improvement. This program will be continued this coming year. In a short time all sidewalks in Town will be reconstructed, which will add to the appearance of the Town.

Welfare

Total expenditures for our Welfare program was low again this year. Aid was given this past year in a number of emergencies, but the Town was reimbursed by the recipients which made our Welfare appropriation unexpended for this past year.

Water Department

Water, water everywhere? The total use of water in the entire country for all purposes in 1900 was about 40 billion gallons a day. In 1950, fifty years later, the consumption jumped to over 200 billion gallons a day. The future no one knows, except that the consumption will definitely increase.

Consumption and Climate are two important factors in supplying a Municipality with water. We personally felt both of these factors this past summer. It made the Town Officials wonder about the future. What to be done? Steps will have to be taken in the near future to aid us in this problem. It will be a costly one, but that is why we are thinking about it now and not when the well runs dry. The Reserve Fund for the Water Department was increased in the 1958 Budget to aid us in any future requirements. Rates in time will have to be increased to aid the Town in any program that is needed. Our big problem is storage. We must be able to catch and store rainfall during periods of heavy

precipitation in order that the water may be used to its advantage by all of our consumers during the dry weather season.

This past year the Department had one break in our mains. This occurred on Thompson Street. We renewed 19 house services from galvanized pipe to copper tubing and one new service was established. One hydrant had to be moved back 36 feet from the highway on River Street because of the construction of the new highway.

Difficulty was encountered this past Summer at our source of supply. Water had to be pumped for a period of 30 continuous days from Jackson Pond to our reservoir to maintain a minimum supply of water to our consumers. A pump and other materials had to be purchased for this emergency. It was a costly one, but the money came from the Capital Reserve Fund set up for the Water Department which alleviated a direct burden on the taxpayer.

The Water Department made a profit this past year of \$3089.05.

Electric Department

New line construction was made this past year on Thompson Street. This line was constructed with larger wire to supply the Little Squam area with a suitable load for the consumers. New construction was also completed along Route No. 3. This new construction came about due to the building of the new State Highway.

The tree trimming and tree removal program has proved to be very successful this past year. Our primary lines and services have not been hampered from falling limbs or limbs covered with snow laying on the lines. This enabled the Department to give the consumers uninterrupted service. This tree program is being continued in 1958.

The Town now owns their substation which will give electrical service to the entire community. For years the Town has paid rent to New Hampshire Public Service for the use of their substation. This past Spring we were informed by letter from the New Hampshire Public Service that they would not increase the transformer bank at their substation. If the Town required more power they should be looking to build their own substation. The Town power requirements have been increasing the past few years and will continue to increase with new buildings being constructed. In order to supply our present consumers as well as any new requests definite steps had to be taken towards the building of our own substation. It was definitely a step in the right direction for the Town to feel secure in the future.

The Electric Department made a profit of \$15,097.91 this past year. \$5,000.00 of this amount came from Street Lighting. This profit every year is turned back to the Town as revenue towards the tax rate. In time all or a portion of this revenue should be set aside for future construction or expansion of the electrical system.

Rates have been increased considerably in the past few years by other companies. In Ashland electric rates are 75¢ to \$1.00 lower per 100 kilowatts than in other communities.

The Town is very fortunate to own such a utility to supply them with this indispensable commodity.

Town Highlights 1957

“It’s hard to realize these days that this country was founded partly to avoid taxation.”

- Reduction of tax rate from \$57.50 to \$56.00.
- New industry moved into Town, “The Lakes Region Chipping Plant.”
- Construction of a new substation to service the Town.
- New building construction—Post Office, Rt. 3 Drive-In and new homes.
- New electric line construction to Little Squam Lake area.
- Town becoming a member of the Lakes Region Mutual Fire Aid Association.
- Budget surplus for the year 1957 - \$493.78.

Town Clock	50.00
Employees' Retirement & Social Security	940.00
Interest	1,864.55
Planning Board	100.00
Town Construction	3,000.00
Collins Street Bridge	2,500.00
Sidewalk Construction	1,000.00
New Equipment	7,400.00*
County Tax	7,300.00
Payment on Principal of Debt	7,260.00
Capital Reserve Funds:	
Fire Department	1,000.00
Electric Department	1,000.00
Water Department	1,000.00
Substation Note	3,000.00
	<hr/>
	\$154,115.55
	\$149,415.55

* The Budget Committee recommends payment of this item be spread over a period of three years, \$2,700. to be raised in 1958 and \$2,350. in 1959 and 1960 respectively.

4. To see what action the Town will take relative to a "Fuel and Power Adjustment Cost" that is now being charged to the Town by the Public Service Company of New Hampshire.
5. To see if the Town will authorize the Selectmen and the Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$60,000.00 in anticipation of collection of taxes for the current municipal year and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected during the current municipal year.
6. To see if the Town will vote to authorize the Selectmen to discontinue that portion of the Owl Brook Road as it now exists between Route No. 3 and the by-pass for Little Squam Bridge, the said road being 300 feet in length.

7. To see if the Town will vote to accept the bequest of the Estate of Bertha G. Boynton in the sum of \$250.00 to be used for the perpetual care of the said Joseph W. Boynton lot in said Green Grove Cemetery, and any part of the fund not needed or used for perpetual care of said lot, that said income shall be used for the care of the monument and markers on said lot.
8. To transact any other business which may legally come before said meeting.

Given under our hands and seal the 20th day of February in the year of our Lord, nineteen hundred and fifty-eight.

Division of Municipal Accounting

State Tax Commission

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 4, 1958

**Board of Selectmen
Ashland, New Hampshire**

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1957, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal Court and Library.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1956-December 31, 1957: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1956 and December 31, 1957, are presented in Exhibit A-1. As indicated therein the Net Debt increased by \$24,886.77 during 1957.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt

Long Term Notes Issued	\$33,700.00

Comparative Statements of Appropriations and Expenditures -Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1957, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4) a revenue surplus of \$489.23, plus a net unexpended balance of appropriations of \$4.55, resulted in a net budget surplus of \$493.78.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1957, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1957, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$3,352.23, from \$16,982.83 to \$20,336.06, during 1957, as show herewith:

	December 31, 1956	December 31, 1957
Total Assets	\$80,714.32	\$101,183.19
Current Liabilities	63,731.49	80,847.13
Current Surplus	<u>\$16,982.83</u>	<u>\$ 20,336.06</u>

Accounts of Town Clerk:

As indicated by Exhibit D-1, as of the date of audit there was due from the Town Clerk the amount of \$2,482.30 necessary to balance his accounts for 1957. This amount, together with \$50.77 representing actual cash on hand December 31, 1957, was remitted to the Treasurer on January 15, 1958.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Laurence M. Bean, Accountant

February 4, 1958

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Ashland for the fiscal year ended December 31, 1957. In our opinion the Exhibits included herewith reflect the true financial condition of the Town of Ashland on December 31, 1957, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor

Laurence M. Bean, Accountant

Report of Public Health Nurse

Plymouth, N. H.
January 8, 1958

Town Manager
Ashland, N. H.

Dear Sir:

The following is a report of the activities conducted for the town of Ashland by the N. H. Department of Health, Bureau of Public Health Nursing, in cooperation with the Ashland District Nurse Association for the year 1957.

A Salk Vaccine Clinic, for protection against Poliomyelitis, was held at the School Auditorium in Ashland on May 2, 1957. A total of 369 attended this clinic.

During March and April the children from Ashland were invited to attend Triple Toxoid Clinics, for protection against Diphtheria, Tetanus and Whooping Cough. These clinics were combined with Holderness and held at Holderness Central School. Transportation was furnished for the school age children by school bus. A total of 125 Ashland children attended these clinics.

The number of children completing immunizations in 1957 were: under five years, 110; 5 to 9 years, 76; 10 to 15 years, 64; 15 to 20 years, 28; total 278. About 50 children completed three polio shots in 1956.

Triple Toxoid: under five years, 12 - 3rd shot; under five years, 15 - booster shot; 5 to 9 years, 36 - booster.

Small Pox Vaccinations: 1 to 5 years, 25.

My sincere thanks to the Local Nurses, Local Visiting Nurse Association, Dr. Rockwood and School Personnel for assisting in making these services available to the children in their community.

Respectfully submitted,

LOIS W. BARTON, R. N.

JAMES HARRIMAN

Chief of Police

Report of District Fire Chief

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem—97 percent of all our forest fires being man-caused and preventable—a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires—all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort. The rules are simple.

1. Don't burn at home - use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.
3. Be sure that all lighted material—cigars, cigarettes and matches—are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.

5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER—the fire you prevent might be the one which could burn YOUR property.

REMEMBER FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING.

1957 Forest Fire Record for Your Town

Number of fires - 6

Number of permits issued - 138

H. C. HARTWELL, JR.

Census	Mrs. Clara Hines
Bookkeeper	Mrs. Beverly LaBrique (resigned 1/1/58) Mrs. Lorraine Paquette

Minutes of March 11, 1957

Ashland, N. H. School District Meeting

In accordance with the Warrant as published and legally warned, the meeting was called to order by moderator Richard B. Merrill at 8 o'clock in the evening of March 11, 1957, at the gymnasium.

The Warrant was read, the business taken up as follows:

- Article 1. Moderator. Richard B. Merrill was elected and duly sworn.
- Article 2. Clerk. Lillian M. Young was elected and duly sworn.
- Article 3. 2 Members of the Board for ensuing 3 years each. The following nominations were made and the voters instructed to vote for only two members by written ballot; Donald Bump, Harold Baker, Arthur Marcroft, Catherine Rockwood and Francis Hughes. The moderator appointed John Glidden, Bernard Sanborn and Peter Bellevance as tellers. The result of the balloting was as follows:
- | | |
|------------------------|-----|
| Total votes cast | 151 |
| Necessary for a choice | 76 |
- Donald Bump had 28 votes, Harold Baker had 104 votes, Arthur Marcroft had 81, Catherine Rockwood had 69, Francis Hughes had 20, and Harold Baker and Arthur Marcroft having a majority were declared elected and duly sworn.
- Article 4. Treasurer. Max Weisberg was elected and duly sworn.
- Article 5. Motion to dismiss carried.
- Article 6. On motion of Allen K. Ober, it was voted that the District accept the report of the Committee, Clerk, Treasurer, Auditor and School Board as printed in the School Report.
- Under committees reporting, William Deachman reporting for the Building Committee as embraced in Article 10 of the 1956 School

Meeting Warrant, stated that the committee had no formal recommendations to present, that it would need more time to complete its findings. Mrs. Roscoe Whitcomb asked if these findings would be brought in to the next school meeting through the School Board and the people be expected to vote on them. Chairman of the Board A. K. Ober replied that no definite decision could be given at this time, that the committee needed more time to work out the recommendations. Mrs. Whitcomb then asked if it would be asking too much if the people could have advance information on this committee's findings so that they could give the matters therein thorough study before being asked to vote upon them, and to this end offered the following motion: Moved that a committee of 6 persons be chosen as follows: One to be appointed from the Board of Selectmen by their Chairman; one appointed by the Chairman of the Budget Committee; one appointed by the President of the P. T. A., and three at large appointed by the Moderator. This committee to meet with the present committee when its report and recommendations are completed, and from the material furnished them to make their own study and recommendations, both of which reports shall be presented to the voters at the same meeting. Said newly appointed committee to have at least two months in which to make their study. The motion was seconded.

There followed further discussion with Merrick LaBrique asking A. K. Ober, Chairman of the Board, if it was true that no chairman had yet been appointed on the Building Committee. Mr. Ober acknowledged that this was true. Rev. Walker spoke on the unwieldiness of the size of the present committee and recommended a reduction rather than a new committee. Mr. Harris of the School Board suggested dismissing the present committee and appointment of a new one, if a new one was needed to investigate the old one. Atty. Deachman remarked that this was not Mrs. Whitcomb's intent but that this new committee would study the proposals of the present fact-finding committee.

The motion of Mrs. Whitcomb was put to vote and carried in the affirmative.

- Article 7. On motion of A. K. Ober it was voted that the District authorize the School Board to choose Agents and Auditors as may be necessary.
- Article 8. On motion of A. K. Ober, it was voted that the district raise and appropriate the sum of \$111,281.41 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
- Article 9. Under this article, the motion of Raymond P. Harris to adopt the article as read, lost by a show-of-hands vote, For - 45, Against - 65. There was much discussion before the motion was put.
- Article 10. Chairman of the Board A. K. Ober stated that the salaries of the teachers is available from any member of the Board, that he did not feel that the salaries should be published because it would cause some hard feelings amongst the teachers, and therefore made a motion to dismiss the article. Mr. Thomas Pryor pointed out that salaries of public officials are printed in public reports; Merrick LaBrique called attention to the fact that the teachers are the town's employees, that the school report is the people's report and as such are entitled to have a detailed report; John Smith remarked that the budget committee had asked for a breakdown of the \$62,000 item for teachers' salaries, but had not received it, and he felt that as taxpayers this knowledge should not be hidden in the report; Rev. Walker stated he did not see why the people cannot see what each teacher gets for salary; Supt. Heffernan was asked and replied that one other school in his district reports salaries, that some districts provide this information and some do not; Margaret Lynch stated that if printed it would need detail of the teacher's qualifications for her grade

to justify the differences; Marion Merrill brought out that it was during her tenure as a school board member that this was omitted from the report when a salary schedule was instituted, and it was thought wise to omit it so that the children would not know and use it for criticism of the teacher; Rev. Snow advised that his salary is published for circulation in a church report; Atty. Deachman pointed out that salary scale criticisms could easily be justified if payments were in the record.

Mr. Ober's motion was seconded and voted upon by a show of hands, and lost, with the vote being For - 30 and Against - 65.

Then Atty. Deachman made a motion to adopt the article in entirety. This motion was seconded and passed by a show of hands vote, in favor 61, against 33; and the article declared adopted.

Article 11. On motion of Mr. R. Harris it was voted to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Article 12. A motion to adjourn was made, seconded and carried.

A true copy of record, attest: Made this 11th day of March 1957.

Signed: LILLIAN M. YOUNG

Clerk of the
Ashland School District

State of New Hampshire
School District Warrant

To the Inhabitants of the School District in the Town of Ashland qualified to vote in district affairs:

You are hereby notified to meet at the School Gymnasium in said district on the 21st day of March 1958, at eight o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose the following members of the School Board:
two to serve a term of 3 years, 1 to serve a term of 2 years, 1 to serve a term of 1 year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the school district will vote to hereafter use a check-list for the election of its officers, beginning with the 1959 annual district meeting, and will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, chapter 57.

9. To see if the School District will vote to give the Town of Ashland a parcel of land (being a part of deed dated 4-16-52) for the purpose of laying out a new road thirty-three feet (33') wide, and to maintain same, said road beginning on Highland Street and extending easterly along the former Keyes, now Clarence Jordan boundary, for a distance of 12 rods and a fraction.
10. To hear the reports of the School Study Committee and the Special School Study and to see what action the District will take with respect to the suggestions or recommendations.
11. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
12. To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 28th day of February 1958.

DIVISION OF MUNICIPAL ACCOUNTING

State Tax Commission

Concord, New Hampshire

August 8, 1957

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1957. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1957, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler, Director
Div. of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Oliver E. Gagne, Accountant

Report of Superintendent of Schools

To the Members of the School Board
and Citizens of Ashland:

I hereby present my third annual report as Superintendent of Supervisory Union #2, which includes the Ashland Schools.

The ability to place satellites in outer space has aroused deep concern in regards to education during this past year. The public is becoming fully aware that the future of nations rests in considerable measure upon progress in science and technology. There is widespread agreement that improved opportunity to learn must be opened to those minds which are capable of scientific excellence.

Scientific education is not the only need of America today. Fully as important as progress in science is the promotion of American Democracy and the preservation of peace.

The building of peace calls for knowledge and insight, and so the children of today, who will be the philosophers, the historians, the social scientists, and the scientists of tomorrow, hold the promise of the future.

P. T. A.

The P. T. A. continues to be very active in bridging the gap between home and school with many worthwhile meetings being held on subjects pertaining to the child and his school.

Building Program

The school board and building advisory committee have continued to explore the educational set-up for Ashland and in December presented to the special school study committee, which was appointed at the last annual meeting, its findings, - namely the need of additional elementary space.

Music

The elementary music program is being supervised by Miss Elena McCuen and the junior-senior high band, glee club and class work is under the direction of Mr. Milton Gersh. Having a separate teacher for the elementary school has proved to be very worthwhile.

Faculty

We are very fortunate to have excellent new members of the staff this year. In the elementary school: Mrs. Thelma Spohrer, grades 1-2; Mrs. Beverly Zampieri, grade 3; Mrs. Dorothy Francesco, grade 5. These teachers replaced three outstanding teachers, namely: Miss Margaret Lynch, Mrs. Martha Keniston, and Miss Marion Woodman, who were retired under the new teacher retirement plan. These teachers gave many years of faithful service in the classroom and their work can be measured through the influence and inspiration of their former pupils. In the high school: Mr. William Heinz, science; Mrs. Anne Phillips, business education; Mrs. Janet Tibbetts, English; Mrs. Florence Hodsdon, mathematics.

Salaries

In accordance with the vote at the last annual meeting, the salary of each teacher is being published. One should note that the current state average salary for town elementary teachers is \$3,474 and the similar high school average salary is \$3,867. Ashland is very fortunate in being able to retain many of its teachers because of community ties. With a substantial increment each year it is hoped we will come closer to the average.

Buildings

A continuous program of repairs and replacements is in progress in order to bring the present facilities up to standard such as new floors, lighting and furniture.

School Lunch Program

The school lunch program, under the able direction of Mrs. Keefe and the assistance of Mrs. Berry, continues to be a very important part of the daily life of the school children in providing a well-balanced hot lunch for a minimum charge.

Conclusion

The members of the teaching staff, school personnel, transporters, members of the school board and citizens are to be commended for the fine cooperation in dealing with the everyday problems in the education of the children of Ashland.

Respectfully submitted,

MARTIN E. HEFFERNAN

Superintendent

SUPERVISORY UNION #2

B u d g e t

The Supervisory Union Budget for the 1958-59 school year is apportioned among the five districts on the basis of the 1956-57 average daily membership and the 1956 equalized valuation as follows:

<i>District</i>	<i>Percentage</i>	<i>Supt's Salary</i>	<i>Travel, Sec. & Office exp.</i>
ASHLAND	19.98%	\$1,098.90	\$1,384.87
INTER-LAKES Meredith Center Harbor	41.15%	2,263.25	2,852.24
HOLDERNESS	12.97%	713.35	899.00
MOULTONBORO	15.91%	875.05	1,102.76
SANDWICH	9.99%	549.45	692.42
	<hr/> 100.00%	<hr/> \$5,500.00	<hr/> \$6,931.29

The superintendent's salary this year is \$7,500. The Supervisory Union's share is \$5,000 and the balance of \$2,500 is paid by the State.

Principal's Report

The following is my annual report as principal of the Ashland Schools.

The total enrollment in the first six grades remains about the same as it was last year, but there is an anticipated increase in the first grade for next year. We are still greatly bothered by some large classes in the Elementary grades, and of course, this does not lead to a good learning situation. The breakdown of enrollment for the grades is as follows: Mrs. Morton - Gr. 1, 22; Mrs. Spohrer - Gr. 1 & 2, 22; Mrs. Cote - Gr. 2, 25; Mrs. Zampieri - Gr. 3, 39; Mrs. Gammons - Gr. 4, 31; Mrs. Francesco - Gr. 5, 37; and Mrs. Smith - Gr. 6, 30. Grades 3 and 5 of course should be divided, but due to the lack of proper housing we are unable to do this. Once again this year the 6th grade is housed in the high school, which makes it very difficult for that grade as well as crowding the high school. Looking into the very near future and considering our present elementary enrollment and the anticipated first grades, some corrective measure will have to be taken on the housing facilities for the Ashland School children.

Again this year as in the years past the first grade has been divided. A new system has been used in dividing this group, and this seems to be working very satisfactorily. In using this system we now have two homogeneous groups or as near to this as possible under the present conditions.

This past year there was a large turnover in the teaching staff of the elementary grades. Considering the teacher shortage, I feel that we were extremely fortunate in finding the four qualified experienced teachers that we did.

There has been greater emphasis planned on the major subjects in the elementary school this year and in particular that of reading. The teachers are encouraging teacher-parent conferences where necessary in the first six grades. The conferences plus the report cards are making a closer tie between the home and the school.

Since the State Department of Education has issued the minimum standard requirements for high schools, many questions have been asked as to the standing of Ashland High School. At the present time the school is certified by the State Department of Education and any qualified student graduating from this school should have no trouble in being accepted in most colleges. In going over the minimum standards it is found that the offerings in Fine Arts are not ade-

quate and an adjustment in this will have to be made for the school year of 1958-59. The State Department of Education has commended this school in some of its offerings as not many schools of this size offer the curriculum that we do. Under the new minimum standards, which go into effect September 1958, this school will once again be certified by the State Department of Education, with the necessary adjustments made in Fine Arts.

The Town of Ashland should feel proud of its graduates as a very high percentage is going on to college or some further training. For the past three years this school has been above State average and in some years above National average in sending their students on to further training. A breakdown for the past three years is as follows:

Class of 1955 - 21 graduates - 5 went on to some training

Class of 1956 - 26 graduates - 10 went on to some training

Class of 1957 - 26 graduates - 13 went on to some training

This record speaks for itself.

As in the elementary school it has been necessary to split some classes in the high school due to their size. This has been done on the homogeneous basis and has proven to be a satisfactory system.

The high school again experienced another large turnover in its teaching staff for this school year. The reasons for this are many—better salaries, better and lighter teaching assignments, and the opportunity to get into larger systems which offer more benefits to the individual teacher. We were very fortunate in securing the staff that we have for this school year. Many schools in the State started this school year without a full faculty, due to the teacher shortage. It takes a new teacher from six to eight weeks to become acclimated to the new school, and because of this, changes are a detriment to all concerned.

For the teaching staff and myself, I wish to thank all of those who have helped to make the Ashland schools better schools for the children of Ashland.

Respectfully submitted,

ROBERT C. GILMAN

Principal

Ashland School-Nurse Teachers' Report 1957

Communicable Disease Check Daily 8 to 9 a. m.

Height and weight all students Spring and Fall.

Eyes of all students tested with Snellen Eye Chart. Notices of defective vision sent to parents.

Hearing of students, grades 1, 3, 5, 7, 9 & 11, tested with Audiometer. Notices of defective hearing sent to parents.

Head inspections of all students at regular intervals.

Assistance to School Physician in doing Physical Examinations. Notices of defects sent to parents.

First Aid and emergencies.

Maintenance of First Aid supplies.

Maintenance of health cards and records.

Numerous conferences with school personnel and parents.

CLINICS

Mental Hygiene Clinic, Laconia, N. H.

Chest X-ray Clinic, Plymouth, N. H.

Immunization Clinic, Holderness, N. H. (three)
